Retransmitted with compliments:

I have no objection to the E.A.T.R.O. touring in the Hunsur Taluk, Mysore District, for recruitment of technical personnel required for the Indian Army. But it may be definitely made clear to the officer that only candidates whose educational qualification is S.S.L.C. or a higher standard or those who really possess some technical qualifications should be enlisted. Otherwise it will interfere with recruitment of combatants for the Mysore State Troops for which service some 300 vacancies exist and there is always room for well educated smart boys as officers.
